December 31, 2020

Dear Friends,

This will be a brief missionary e-report for the December 2020.

Despite Covid 19, and all the problems we encountered this year, we can
honestly say "GOD IS GOOD!"

1. God allowed us to preach His gospel message throughout this month in
public parks and busy street corners, with a number of folks pausing to pray,
and receive the gift of eternal life in Christ! This includes the distribution of
thousands of New Testaments and John and Romans. Our colportage
ministry was begun in January, and we ask God to allow us to in fact get a
license for free importation, which would really open the doors for us to bring
in Scriptures and other Gospel literature in vast amounts. We need about
\$5000 to be able to hire a fiscal/tax lawyer who is savy enough to get this
done--please pray!

2. We were able to encourage and strengthen God's people in all our services:
virtual and in person. This is so important, because in December people let
down their spiritual guard, so it is imperative that missionaries preach and
encourage folks to resist the devil and draw near to Him.

3. We praise the LORD for allowing us to share a truck load of fruits,
vegetables, and medicine to the needy during this month. I am referring to
those folks affected by the hurricanes Eta and Iota recently; I am also referring
to many churches and rescue missions where we usually minister.

Thats it!! Thank you my friends for all your love and support for the work
down here! We ask that you please continue to pray for us as we enter 2021.

Happy New Year!
For souls,
Brother Carlos
John 3:16
